Section 3: Short Answer Section

Please type up your responses and attach them to this form. Your essay answer should:

- ⇒ Be easy to read and reveal interesting things about yourself to the scholarship selection committee.
- ⇒ Make a connection between the mission of the scholarship to your academic and personal interests and/or goals.
- ⇒ Have a purpose – Provide evidence of how you feel this experience will heighten your skills as a naturalist and nurture a conservation ethic.

Question 1: Why are you interested in attending a VENT youth birding camp? Why do you feel that you should be awarded this scholarship? (600 word limit)

Question 2: List school activities (sports, student government, arts, music, committees, etc.) in which you have been involved over the past two years. Describe your role in each activity.

Question 3: Provide a detailed list that explains the awards, scholarships, publications, or special recognition you have received.

- ⇒ Applications must include a Letter of Recommendation. Choose someone who knows you best. The more detailed and personalized a letter is, the more likely it is to make a strong impression on a selection committee. So ask a teacher or mentor with the most extensive, personal knowledge of you and your work.

Application Deadline: January 15, 2020. The scholarship will be awarded in February.

Send your application materials electronically to: info@ohioyoungbirders.org with *Theodore "Ted" A. Parker III Memorial Scholarship Application* in the subject line. Or, mail your application materials to:
